

2015 El Tour de Wine Country

Fun Italian Automobiles of Tucson

Southern Arizona Pantera Club

Things to know about this year's wine country cruise...

- Since we don't collect dues, this is a pay-as-you-go event. Participants are responsible for all of their own expenses and transportation.
- Even though this is a non-competitive event, make sure your car is ready. We will be in a rural area and vehicle services are minimal.
- Mobile phone service is spotty. Verizon works best.
- Bring your own picnic lunch / snacks / extra drinking water
- Bring your own wine glass and you can save on the cost of a wine tasting! You do not have to partake in the wine tasting if you don't want to.
- Plan on the event taking most of the mid-morning to late-afternoon hours. We will try to wrap things up in time for everyone to be back in Tucson before sundown.
- Last, but not least, be safe. Drink responsibly. Obey all laws and watch out for each other. You are responsible for your own actions.
