301 Fuel system integrity

We make no representation that any regulations adopted since 1974 have been complied with, nor do we undertake to make any modifications to the foregoing vehicles to enable them to conform to any applicable regulations. It is our understanding that the oners will make all such modifications if required, and that it, or the immediate purchaser of each vehicle has assumed all liability as "Manufacturer" under D.O.T. and E.P.A. regulations.

We hope this letter has been helpful.

Very truly yours,

DE TOMASO MODENA S.p.A.
